

SPECIALTY YOUTH CAMP: LITTLE MEDICAL SCHOOL (6-11YRS)

Little Medical School #321115.01

Monday-Friday, July 24-28

9 a.m. – 3 p.m.

DCRC, Talla 2

Camp Overview

The Little Medical School Summer Camp program provides children the opportunity to have fun learning about the exciting and inspiring world of medicine! Interactive demonstrations, crafts, and games teach them: how the body and organs work; how to use the instruments real doctors' use; first aid; and even how to tie knots like a surgeon. Participants are exposed to many things in the field of medicine and make models of the spine, brain, bones, and the eye.

Expectations for Parents

Parents are expected to sign their child in/out of the camp each day. Drop off no sooner than 9 a.m. and pick up promptly at 3 p.m. A photo ID is required to pick up your child. Parents need to pack their child a nut-free lunch each day that does not require heating or refrigeration.

Camp Fees/Dress/Supplies

Camp fees are \$350 for Residents and \$385 for School District & Non-Residents. Children should dress appropriately for the summer weather. The program is held both indoors and outdoors. Children should have sunscreen already applied and wear closed-toed shoes (such as gym shoes). Please do not send your child in sandals, crocs, or other summer shoes due to being outside in the grass area, on the playground, and hiking on the trails. Included in the fee is a real stethoscope and lab jacket participants get to take home.

If you have questions regarding this camp, please contact jvosters@dublin.oh.us.

REGISTRATION BEGINS ONLINE FOR RESIDENTS MONDAY, MARCH 20!
